# The International Journal of Nautical Archaeology

and Underwater Exploration

**U.I.C.**

JAN 26 1984

LIBRARY

**Volume 12, 1983**

Published for the Council for Nautical Archaeology  
by Academic Press London New York San Diego  
San Francisco São Paulo Sydney Tokyo Toronto

## Contents of Volume 12

|  |  |     |
|--|--|-----|
| Editorial  |  | 1   |
| The Pattaya wreck site excavation, Thailand, An interim report   | Jeremy Green and Vidya Intakosai             | 3   |
| The excavation of a collection of cordage from a shipwreck site  | Graeme Henderson and Myra Stanbury           | 15  |
| Walls in the sea—the goradau of Menai. Some marine antiquities of the Menai Straits  | Cecil Jones                                  | 27  |
| Documentary sources and the medieval ship: some aspects of the evidence  | Ian Friel                                    | 41  |
| Ordnance and the king's fleet in 1548  | John R. Kenyon                               | 63  |
| Bronze cannon founders: comments upon Guilmartin 1974, 1982  | Richard Baker                                | 67  |
| Recent views on <i>'The wreck of the Almirante'</i>  | Robert Sténuit                               | 75  |
| Stone weight anchors from Kommos, Crete  | Joseph W. Shaw and Harriet Blitzler          | 91  |
| Discovery of a 19th century barge laden with iron ore near the village of St. Antoine in the Richelieu River, Quebec, Canada | André Lépine                                 | 101 |
| A wreck of possible Etruscan origin off Giglio Island  | M. Bound and R. Vallintine                   | 113 |
| The Akrotiri ship fresco   | H.-E. Giescke                                | 123 |
| A toothed gear and water-drawing pendulum from the Mahdia wreck  | Gerhard Kapitan                              | 145 |
| A Roman sheave block from the harbour of Caesarea Maritima, Israel   | John Peter Oleson                            | 155 |
| Aerial photography of some Greek coastal regions and its archaeological implications   | Y. Liritzis, P. Miserlis and R. Rigopoulos   | 191 |
| The underwater excavation in the Garigliano River: final report 1982. The Roman port and bridge at Minturnae, Italy          | Bro. S. Dominic Ruegg                        | 203 |
| Roman naval construction, as shown by the Palamós wreck  | Federico Foerster Laures                     | 219 |
| Recent maritime research in Israel   | Avner Raban                                  | 229 |
| The Song Dynasty shipwreck at Quanzhou, Fujian Province, People's Republic of China  | Jeremy Green                                 | 253 |
| On the location of the land of Pwnt on two Renaissance maps  | André Wegener Sleeswyk                       | 279 |
| The Shinan excavation, Korea: an interim report on the hull structure  | Jeremy Green                                 | 293 |
| Prehistoric and historic shorelines of the Southern Argolid Peninsula: A subbottom prolifer study                            | Tjeerd H. van Anandel and Nikolaos Lianos    | 303 |
| An index for flat-bottom boats   | Owain T. P. Roberts                          | 325 |
| <b>Notes and News</b>  |  |     |
| The Nymphaeum at Baia  | Honor Frost                                  | 81  |
| Identification of the <i>Ellen</i>   | T. J. Kenchington and Ellen L. Rice          | 83  |
| Grids and pumps for underwater archaeological work   | I. H. Gericke                                | 171 |
| Comment on 'Saxons, sea and sail' ( <i>IJNA</i> , 11: 319–332)   | D. M. Goodburn                               | 173 |
| A new anglo-saxon ship   | Valerie Fenwick                              | 174 |
| Comment on 'A trireme displacement estimate' ( <i>IJNA</i> , 11: 305–318)  | Federico Foerster Laures                     | 176 |
| News   |  | 177 |
| A Thracian Sea God from Pomorie, Bulgaria  | Ivan Karayotov                               | 263 |
| Two thousand year old cloth made from goat's hair  | Federico Foerster Laures and Ricardo Pascual | 264 |
| News   |  | 267 |

|   |                          |     |
|---|--------------------------|-----|
| An ancient <i>navis oneraria</i> with the myth of Odysseus and the Sirens represented on a late Roman sherd | Roberto Meneghini        | 333 |
| The excavation and salvage on a 16th century 'Beurtschip'   | Reinder Reinders         | 336 |
| Note on la Cavalière wreck report   | Federico Foerster Laures | 338 |
| An analysis of lead musket shot from the wreck of an early 18th century man-of-war                          | D. R. J. Perkins         | 339 |
| The metal nails from the wreck at Palamós   | Federico Foerster        | 342 |
| News  |                          | 345 |
